Tips for finishing

Small and steady beats big and rare

- Read after each of the five prayers: about 4 pages each time makes one juz a day (20 pages).
- Fix the times before the month begins, and put them in your phone calendar.
- If you miss a day, do not give up. Add 2 extra pages a day until you are back on plan.
- Read at your own pace, and read the meaning too. Even a simple English translation helps.
- Make dua when you finish (khatm), and share the joy with your family.
- Ask a teacher if you want to improve your recitation. It is a lifelong journey.
